 TENSAI FURNITURE

 tensaifurniture

 Tensai Furniture

**The ability to transform the environment .**

Tensai Furniture is dedicated to the production and development of plastic furniture solutions for over a decade. As a result of its growth, in 2019 the Tensai Furniture brand was launched as an integral part of the strategy of sustainable growth, reinforcing its positioning in the Portuguese and international market.

## EFFICIENCY

Aiming to reduce the ecological footprint impact, Tensai invested 1.200.000€ in renewable energy, reducing 45% the energy consumption.

# KRAFT

**KRAFT IS NOT LIKE ANY OTHER CHAIR.**

It gathers our environmental and conceptual side to an innovative project.

After many tests, many different formulations, many injections, we have reached our final formulation!

We are reducing our ecological footprint and promoting the sustainability through our product.

What about you?

DETAIL

DETAIL

PROCESS

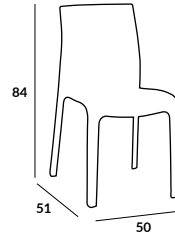

# KRAFT

PLASTIC & WOOD

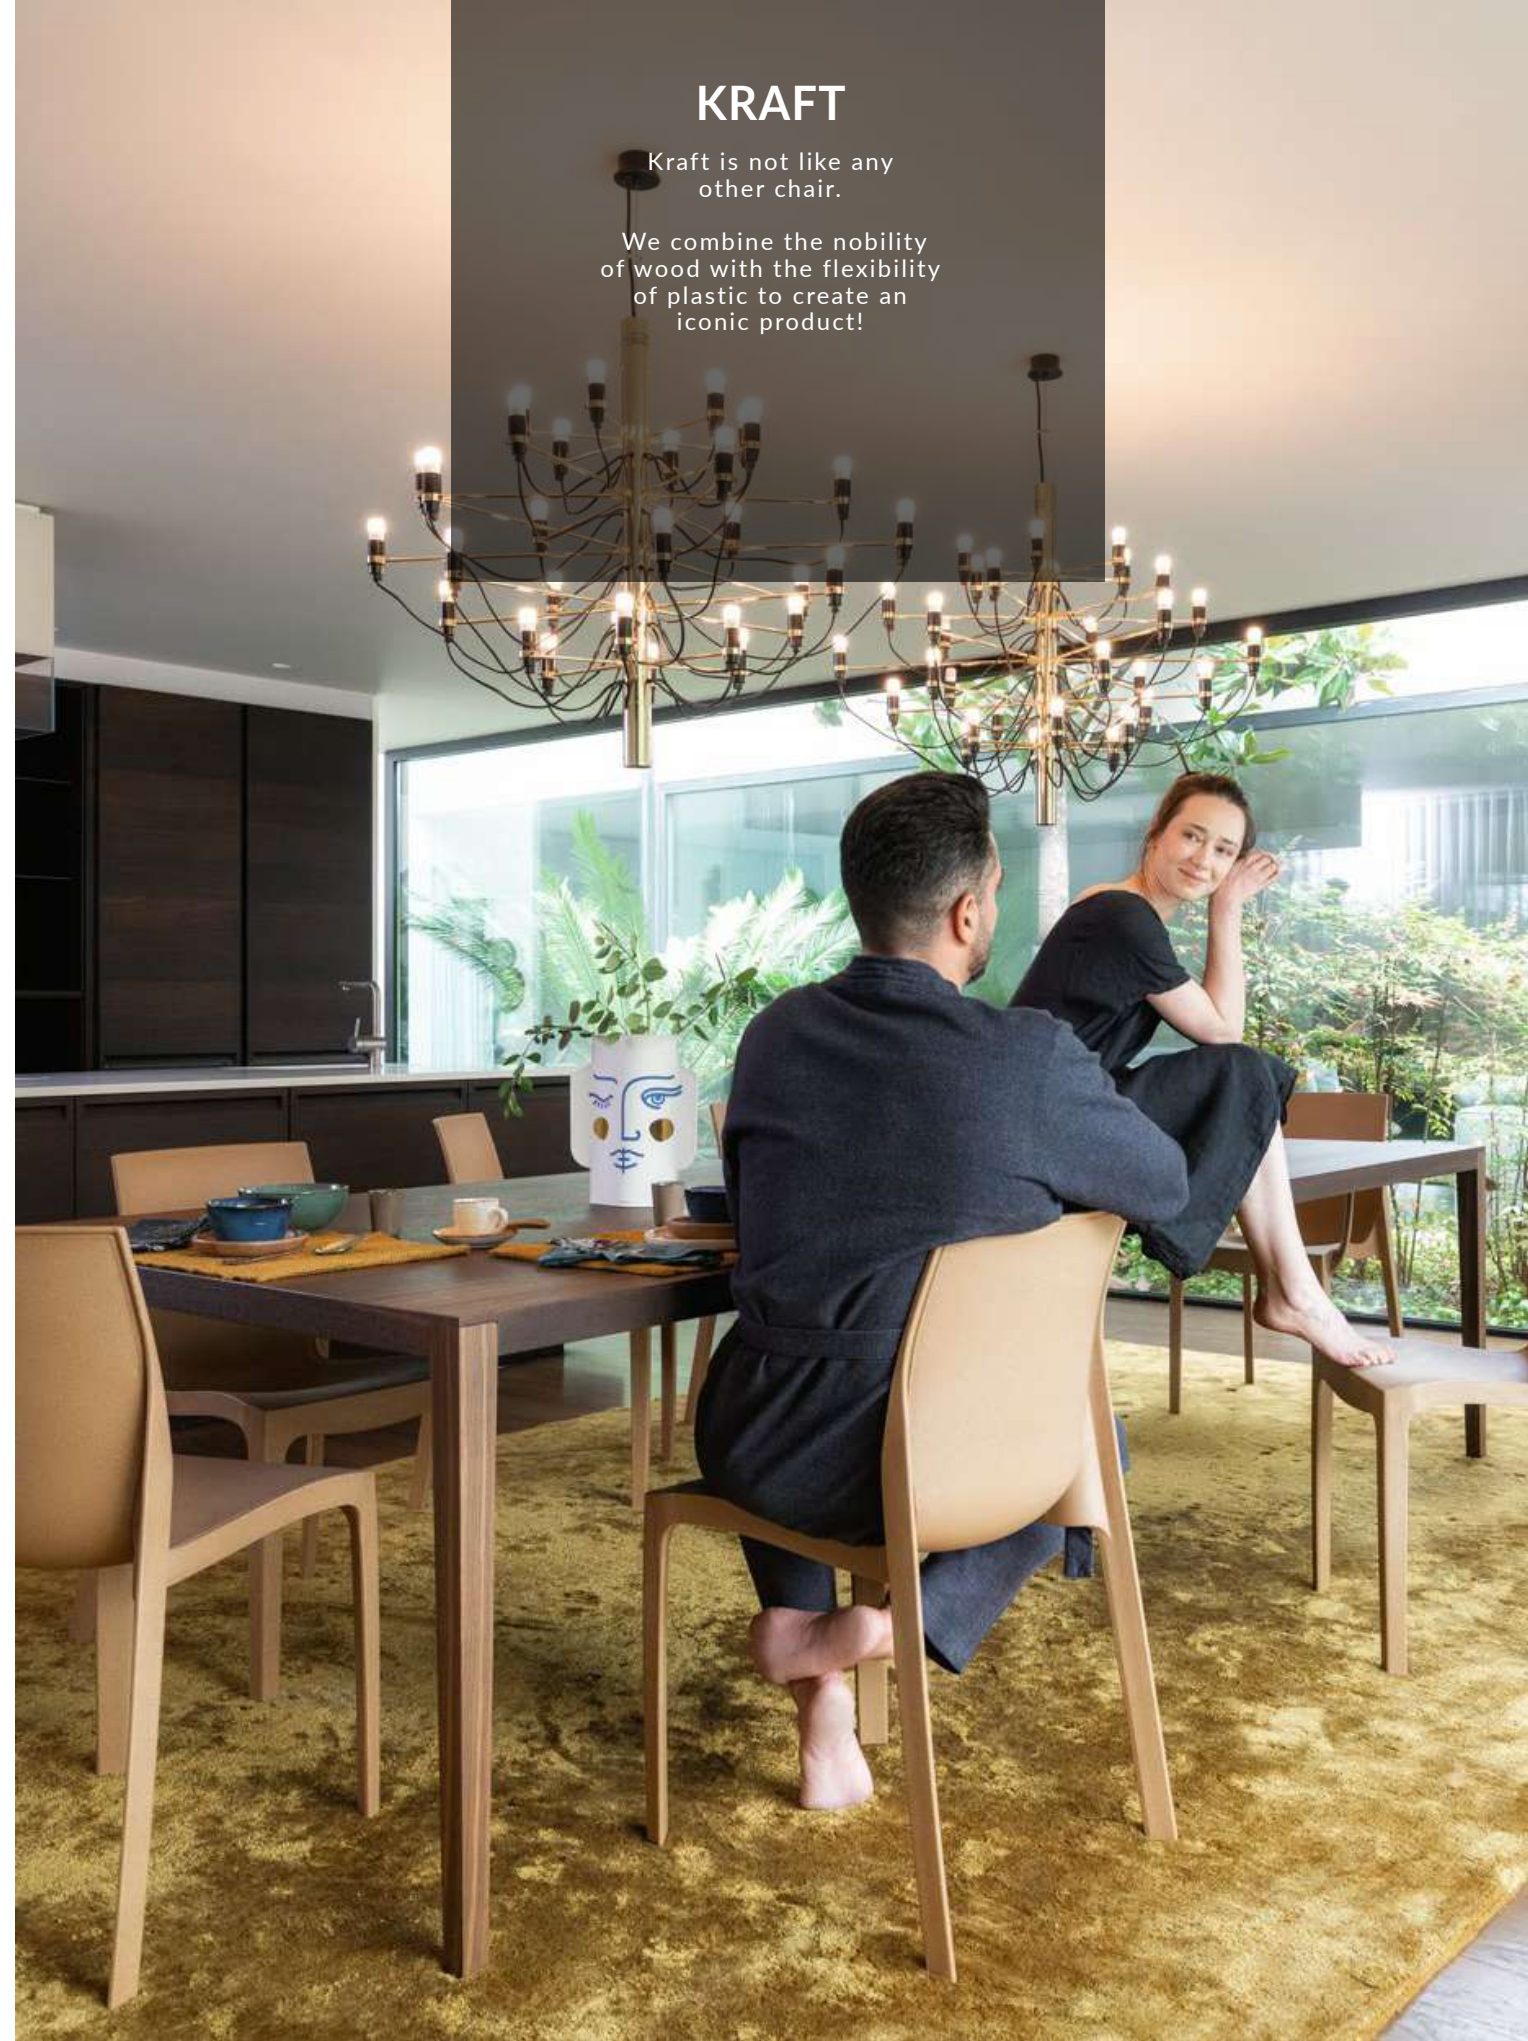

- # Polypropylene with Wood.
- # Compact legs gas injected.
- # UV colour resistance 7/8 (Max. 8).
- # Item suitable for indoor use.
- # 3 years warranty;

# KRAFT

Kraft is not like any other chair.

We combine the nobility of wood with the flexibility of plastic to create an iconic product!
